Congratulations on becoming a member of Indiana PHCC! As an Associate member, you have the opportunity to make new business contacts and network at PHCC meetings and special events, provide the membership with up-to-date information on the area of the industry you represent, work cooperatively with contractors to promote standards, legislation, codes, and regulations that promote business for the PHCC industry, and make new and lasting friendships.

Indiana PHCC is built on a commitment to advancing member success by enhancing professionalism through education and training, and to provide leadership for the industry.

Engaging at all levels of membership of PHCC helps you:

- Connect locally and statewide
- Offer expertise and guidance as a trusted member
- Meet the industry leaders for Indiana

It's everything you need to strengthen your business — now and in the future.

Every year, we have several exciting opportunities to connect to your fellow members, including a Day at the Indianapolis Motor Speedway in May, golf outings, our annual plumbing apprentice contest, and many training events throughout the year both in person and virtually. The fall brings our Leadership Summit. Check out our calendar for dates and event listings.

Our motto is Best people. Best practices. These are not just some words on a website (OK - these words are on our website). This is an assurance to you that we are committed to the highest standards. We value your content and expertise, and we are committed to earning your continued support.

The Indiana PHCC board of directors, officers and staff, look forward to working with you in a strong and rewarding relationship. If we can ever be of any assistance, please do not hesitate to call us at (317) 575-9292.

We are excited to help you successfully build your business.

Sincerely,

Utilize Indiana PHCC to help you grow your business.

People Resource Center

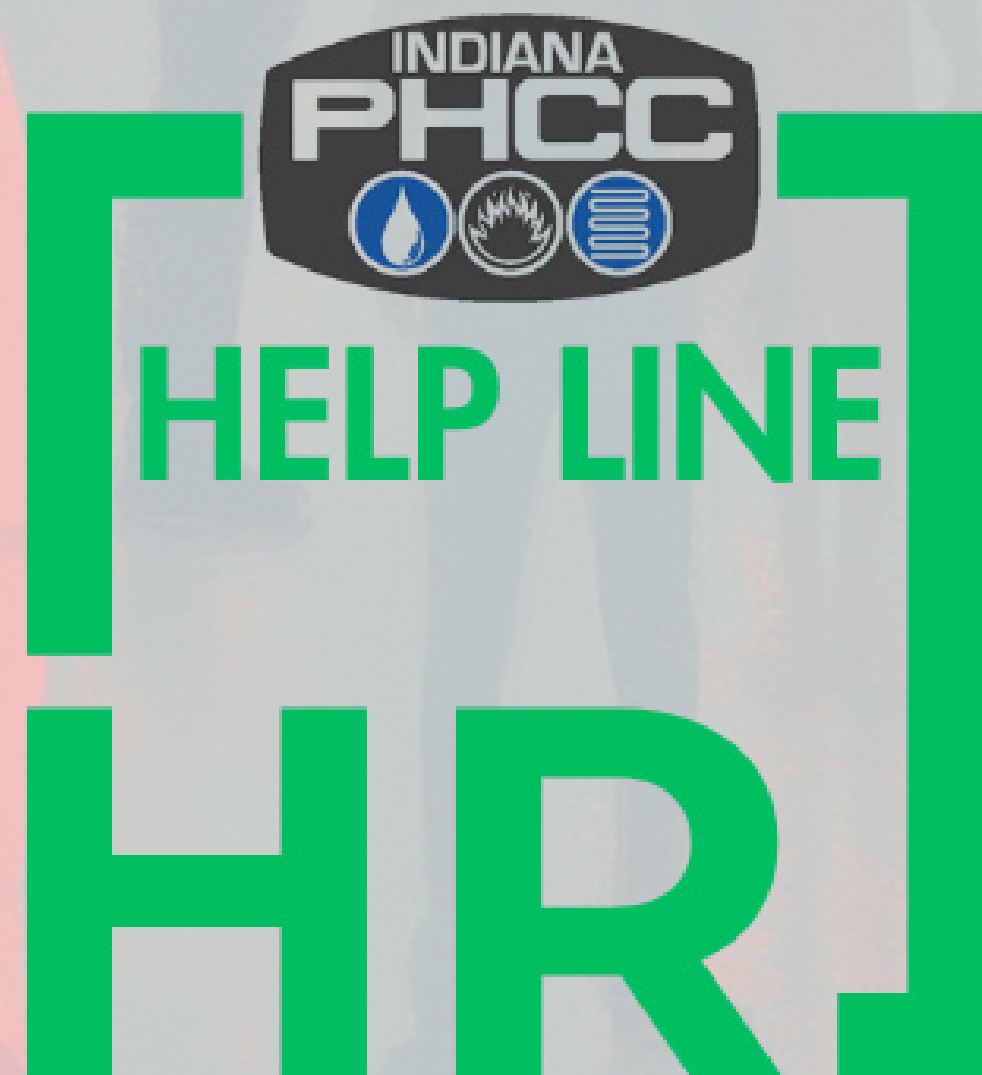

inphcc.com/people

Indiana PHCC's People Resources Center helps you manage your company's workforce and the entire employee lifecycle to create a productive and compliant work environment. The top three work benefits according to staff surveys are health insurance, paid time off (PTO), and retirement savings plans. Your employees place significant value on benefits that offer them financial security and support physical and mental well-being.

You have at your fingertips:

- The HR Helpline allowing you to discuss any labor matters you have;
- Insure-INPHCC, which provides a unique opportunity to provide the most affordable health care insurance plans that fit your budgets; and
- PHCC-National's 401K retirement plan.

A work culture that allows employees to thrive along with competitive compensation are critical to your success. Adding both healthcare insurance and retirement benefits gives you the greatest chances of retaining your best people for years.
